

AQUEGEL

Thank you for bringing Aquegel Nasal Moisturizers into your business! Aquegel is extremely successful in pharmacies because it counters side effects from commonly filled prescriptions. Finally, you can offer your patients a true solution to NOSE BLEED, NASAL IRRITATION, AND NASAL DRYNESS SIDE EFFECTS associated with anti-coagulant and allergy prescriptions!

Aquegel is owned and operated by an independent pharmacy so we are committed to assisting our accounts to ensure sales success. This Initial Order Package contains documents which outline:

- How to Display Your Product
- Employee Training
- General Product Knowledge

If you have questions or would like live support from an Account Specialist, please feel free to contact Aquegel at:

Getting Started!

Our goal is to quickly make Aquegel successful in your pharmacy! Please review the documents (*Images Below*) and complete the following steps AS SOON AS POSSIBLE.

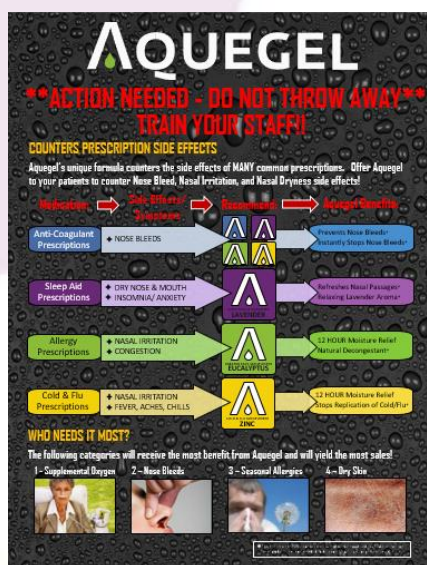

Step 1: Display Your Product

← **REVERSE SIDE**

- Place Display Box near register
- Place Brochures near Display Box
- DO NOT PUT IN OTC SECTION

Step 2: Train Your Staff

← **SECOND DOCUMENT**

- Recommend Aquegel with common prescriptions to counter side effects!
- Ask employees to read "Training Card" & "Brochure"
